Pet Taxi

Transporting pets (big or small) to the vets, groomers or even moving home can be a major and stressful experience for the animal and the owners!

“Walk This Way” offers a door to door service transporting your beloved pets in comfort. My van has been professionally converted to provide safe and hygienic transportation for your pet. It is equipped with secure, comfortable cages which all have fresh water available and soft bedding for the longer journeys, a box of treats is always at hand, a first aid kit and it is well ventilated. My Van and my self are also fully insured but I am unable to take human passengers.

Charged at £12.50 an hr – minimum charge £12.50, plus 35p a mile to & from the destination
